Elmbridge Dementia Social Groups: Friendship and Respite in One Place

Sometimes, a change of scene, a friendly chat, or simply a reason to smile can make all the difference. That's what Elmbridge Dementia Services provides.

Based at the Claygate Centre for the Community, this welcoming day group supports people with mild to moderate dementia. It's a relaxed space to be yourself and enjoy music, crafts, quizzes, or just a chat over tea. Join in as much or as little as you like — the choice is yours.

The centre can host up to 40 people a day in a lively, supportive environment. With a 1:5 staff-to-client ratio, everyone receives personalised attention and feels valued.

Before joining, a friendly assessment helps the team understand each person's needs, routines, and interests.

For carers, the group offers real respite, knowing your loved one is safe, engaged, and enjoying their day.

Days and times: Tuesday, Wednesday, and Friday, 10am–3pm

Cost for full day: £61.30 per day (includes lunch, activities, and support) Funding may be available via social care or local charities.

If you're interested in having a look around the team warmly welcomes visits. Please see our contact details below.
